

**Support Trinity Academy through Giving**

To provide a high quality academic program centered on Christian principles our school has never relied solely upon tuition and congregational support. We are grateful for the generous support of our community to support our efforts to provide an affordable Christian education in the Hudson Community and neighboring communities.

Sharing gifts with Trinity Academy will help us to expand educational opportunities, support our teachers, maintain and upgrade our facilities, add new technology and provide tuition assistance to deserving families.

Join us in this very important mission to reach out to our students and families so that together we can provide a quality Christian education for each of our children so that in the end their hearts will be transformed and they are better equipped to be disciples of Christ as they serve God in their homes and humanity near and far.
